DISCOGRAPHY

DJ HARDER

is a versatile, Imaginative DJ and presenter, responsible for delighting audience with his unique fusion of Rembres, Electro and Commercial House since 2008.

My track record most definitely defies my capability proving that anything is possible with dedication, love and passion. I curate my music list understanding the overall vibe, time and also mood of the people. I instantly connect to the people through my selection of music and make thousands of people move their feet at a time, at live shows and on various musical platforms. I believe I am a true artist with an unique style that's sure to move tens of thousands of individuals straight from their seat onto the dance floor with one identical mission: to dance the night away.
